SUMMARY

Results-driven B.Tech (CS - Data Science) student with expertise in MERN stack, machine learning, and full-stack development. Skilled in building scalable web applications, optimizing database performance, and solving complex problems with DSA (100+ LeetCode & DSA problems solved.). Strong in problem-solving, teamwork, and leadership. Eager to apply my skills as a MERN stack developer and machine learning enthusiast to contribute to innovative tech solutions.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science (Data Science)   **2026**

Poornima Institute of Engineering and Technology, Jaipur

Higher Secondary Education, CBSE   **2022**

Carmel Convent Senior Secondary School, Neemuch, Madhya Pradesh

Secondary Education, RBSE   **2020**

Mohammadiya Secondary School, Chhoti Sadri, Rajasthan

PROJECTS

StayOrbit – Online Accommodation Booking Platform (MERN Stack)   **2024**

- Developed StayOrbit, a full-stack property listing platform with secure authentication and responsive UI. Utilized MongoDB, Express.js, React, Node.js, and Tailwind CSS..

Portfolio Website (React, Vite, Tailwind CSS)   **2024**

- Created a responsive portfolio showcasing projects and skills with interactive UI components.

Responsive Viewer Chrome Extension (React, Vite)   **2024**

- Built a Chrome extension to preview websites on various screen resolutions with quick-select options and custom branding.

E-Learning Website (Php)   **2023**

- Designed an interactive platform for course management, and progress tracking with modern web technologies.

SKILL

- **Programming Languages:** C, C++, Java, Python
- **Web Technologies:** MERN Stack, Bootstrap, Tailwind CSS, REST APIs, JWT Authentication
- **Databases:** Firebase, MongoDB, SQL
- **Data Science & ML:** Machine Learning, Supervised Learning, Unsupervised Learning, SVM, Naïve Bayes, Decision Trees, Data Analysis
- **Tools:** Power BI, Postman, Git, GitHub

ACHIEVEMENTS

- **1st Place, Ideathon 2023 | PIET Jaipur**
- **Winner, Design Code Showdown 2024 | St. Wilfred PG College**
- **Runner-Up, Hack-A-Mania 2022 | Arya College**

CERTIFICATIONS

- **NPTEL: Operating System Fundamentals (Top 2%, Silver Medal)**   **2024**
- **NPTEL: Database Management System**   **2024**
- **NPTEL: Problem Solving through Programming in C**   **2024**
- **RAJASTHAN STATE CERTIFICATE IN INFORMATION AND TECHNOLOGY (RS -CIT)**   **2018**

CONFERENCE AND PUBLICATIONS

"Data Evolution: Harnessing the Power of Big Data Analytics to Drive Innovation"   **2024**

- Publish Research Paper in Journal of Research and Development with the 7.265 Impact Factor
- Present in 2nd International Conference Of Undergraduate Students ICUS 2023

"From Text to Revolution: Unfolding Chat GPT's Impact on Library Services"   **2024**

- Publish Research Paper in Recent Trends in Programming Language
- Present in ASLIP Conclave 2023 (International Conference on Library Technology Relationship)

"The Integration of AI Tools in Student Life: Impacts on Academics and Professional Development"   **2024**

- Present Research paper in International Conference on Smart Innovation for Society (ICSIS)

"From Pages to Reality: Revolutionizing Practical Learning in Libraries with AR-VR"   **2024**

- Present Research paper in 3rd Edition of International Conference on Knowledge Management In Higher Education Institutions (ICKSHI 2024)
